

It's been kinda "hot" lately.
And I don't mean the weather!

I am talking about our hit list!
This is what's hot:

- Commercial auto..... garage too!
- Boats and yachts..... Great Charter boat rates!
- Public entities
- Inland marine... contractors equipment,
motor truck cargo
- Valet parking
- Rental dwellings
- Professional liability
- Data breach
- Marinas and rental vessels
- Student housing
- Exercise and health facilities

Call us..... and think:

COOL!
