

He's gone for now!  
But we're still here.

As your **Michigan based General Agency** we can't beat our wings up to 75 times a second, but we will bust our butt to write these and over 900 other classes of business for you:

- Commercial auto..... public auto..... garage (incl dealers) ... valet... cargo.... truck physical damage...non trucking
- Aircraft.... Hard to place planes
- **Products liability.... archery, herbals, medical mfg. food**
- Underground storage tank pollution (UST)
- Home health care, assisted living, day care, shelters, labs, clinics, marijuana dispensaries
- *Public entities (several markets for these)*
- Restaurants and bars including Liquor Liability
- Apartments and student housing..... fraternities too!
- Rental dwellings
- Marinas and marine contractors..... sea wall construction
- Contractors of all kinds (think about roofers)
- Cyber technologies..... professional liability, data breach
- Snow removal

Call us to discuss any risk you have at 269•372•6301

No hummingbirds here  
For a while, but we will be  
waiting!
